

The 1985 Reunion was held at Camp Lone Star in La Grange, Texas, July 19, 20, & 21. The meeting was officially opened at 4:07 p.m. by President Dale U. von Rosenberg of Dallas, Texas, with an attendance of 79. Pres. Dale gave a brief report of the officer meetings held in Feb. and March in Austin, Phil Meerscheidt gave a brief report on the computer equipment now owned by the Association, and Pres. Dale announced he had found a printer who would reprint copies of Vol. I at a charge of \$3,500 with 2 errata pages and in a dark blue cover. A motion was passed where- by we continue asking Family members for loans and advance order monies to defray the expenses.

The following officers were elected to serve the Association through the 1987 Reunion:

- Pres.-----William F. von Rosenberg III
- V. Pres.---Leo Meerscheidt, Jr.
- Sec.-----Phil Meerscheidt
- Treas.-----Robert Hein
- Hist.-----Dale U. von Rosenberg

The 1986 Reunion was voted to be held again at Camp Lone Star in La Grange July 18, 19, & 20.

The Sec. spoke on mailing list problems, after which Anna Campbell of San Antonio, now age 95, was recognized and applauded.

A suggestion was made that we make every effort to provide transportation to and from the Re- Unions for those members who cannot drive.

The meeting was adjourned at 5:35 p.m.

We wish to sincerely thank the members who make their yearly donations to the Family Operating Budget but we also need to make an appeal to all the many members who haven't. What's with the purchase of the computer and the number of do- nations dropping off, we're getting into a dire financial strait with our finances. Please do your part by contributing to our budget each and every year so that we can regain our finan- cial well-being. All we ask is \$5.00 or more each year which is, as I've said before, "the best deal in town."

VOL. I

Response to financing the reprinting of Vol. I is going to have to increase if we're to get the job done. We need to give the printer \$3,500 so he'll start on it. We don't have that much yet so we're stymied presently. We're accepting monies in two different varieties: 1) interest- free loans (as we did for Vol. II); 2) advance orders of \$15.00 per copy desired. Remember, there are currently no more copies of Vol. I available and should you wish your youngsters to have their own personal copy (which they'll want when they become adults), you better send your loan in immediately or place your advance order along with your check for the same. Let's all get together and get this Vol. I thing out of the way cause Vol. III is right around the corner

Annual REUNION

WHERE ARE YOU?

RIDE PROBLEMS?

If transportation problems prohibit you from attending the Reunion, maybe we can help. If you can't drive anymore or maybe the old car just won't perk so good, let your Secretary know very quickly and maybe we can locate another Family member to come by and bring you to the Reunion.
