Reunion Day, May the 5th, 10:30 A. M.
- MacArthur Park, San Antonio -
First Sunday in May!

This will be our Sixteenth Family Reunion Day!

1943--1944--1945 were War Years .

Gas was Rationed! But then again in 1946 we enjoyed that fine gathering of the Von Rosenberg Kin. Many have never missed a Reunion Day- I have attended Fourteen, last year, I had been ill, but I expect to be all there this year!

This Reunion Day will be The Carl Wilhelm Von Rosenberg Day! Chairman of that Branch is Alfred Wupperman. He is Chairman of that Family Branch and is quite a Historian - so will be the leader--- There will be a Quiz- on the Uncle William Branch only----- Study that Family History well---have your questions ready and a well informed group will be sure to answer them---we hope! Lets try to stump them!

There will be pictures--small prints of that Branch especially, some very old, some very charming, just right to paste in their proper places in your Family Book.

Our Family Organization has again been stricken by that "Grim Reaper", all a distinct loss to our Organization.

Eula Von Rosenberg- Hargis of the Paul Von Rosenberg Branch will be greatly missed as she was a regular attendant at Reunions.

Marie Von Rosenberg -Goeth of the Ernst Von Rosenberg Family, who was always a great help in research for our Records.

There are several more of whom we have no exact record yet, but we shall have a Memorial Service for all as those records come in. Send these names at once to Mrs. H. F. Hein, 313 West Park Avenue, San Antonio, Texas. Names with dates for the Records to Mrs. H. E. Tomlinson, 4403 Woodhead Road, Houston, Texas.
