April 19, 1962

Dear cousins,

It would be nice to see you at our 1962 family reunion on Sunday, May 6. Cousin Daisey Fricke has arranged for the American Legion Hall, Round Top (between La Grange and Brenham), the site of our forefather's first home in Texas. The hall, recently redecorated, is about a mile northeast on State Highway 234.

Bring your own lunch and drinks, though soft drinks will be available. President Robert Hein asks the Board of Directors to be there at 10 a.m., also that he be notified in advance of deaths since last meeting for the memorial service. (600 Goliad Street, San Antonio 3, Texas, is his address).

As always there are a few business matters: Registration fees are \$1 for adults; our secretary, Eugene Adams, having been called to Navy duty must be replaced; also we would welcome invitations for our 1963 meeting. And please let me know if this letter was misaddressed in any way or if anyone not receiving an invitation as the mailing list is out of date and lacks the names of many who have established homes of their own in the last few years. A post card will do.

If you need a birthday, wedding, graduation or anniversary gift, copies of "The von Rosenberg Family of Texas" and the translated letters telling of the emigration from Germany will be available at \$5 for the former and \$1 for the latter. Or by mail add 50¢ for packing and mailing. Order "The v R Family" from Alma Tomlinson, 4403 Woodhead, Houston, and the letters from Monte von Rosenberg, Box 16, Hallettsville, Texas. Any excess over cost will go to the treasury.

Why not write your branch members and arrange to meet them at Round Top, May 6? Our traditional first Sunday in May has usually been one of good weather. Always we've met delightful new cousins and enjoyed seeing those we already know. — Don't forget about helping update the mailing list. We hope to see you May 6.

P.S. Alma Tomlinson is resigning as historian — who'll replace her?

Sincerely,
Charles W. von Rosenberg
Vice-president

Dear Alma -

I hope I have covered the points you mentioned satisfactorily. I'm using first class postage in the hope obsolete addresses will be brought to light through returns that lesser postage would not provide.

The use of script rather than ~~Typewriting~~ typewriting I hope may attract attention. Except for two items I had almost no news - and I want to run two pages.

I hope to see you at Round Top.

Best wishes to you and Hendley, Happy E.

Charles W.
