Dear Family Members,

H. H. Yes, it is almost time for our annual reunion. San Antonio has again graciously accepted to be the host. If you happen to have a day or two extra the HemisFair will be in progress and should be well worth attending.

The members of our family that live in the San Antonio area will furnish coffee for the occasion. Each family in attendance will bring a covered cooler and a dessert or salad, plus plates, eating utensils and drinking water to use for their needs. The meal will be served buffet style.

Let me take this opportunity to thank those of you who responded to the questionnaire sent out last year. As a result, we now have a more complete address list. If anyone knows of an address change, please let us know. It has been a pleasure serving the family as your vice-president. The personnel who had accompanied many of the questionnaires last year were greatly appreciated.

Lois Carnes, Family President, requested that I send all of you a special invitation to come to San Antonio for this reunion. She asked me to include her address and phone number, along with that of Robert Hein in case any of you get to San Antonio and need my help or information.

Lois Carnes, 212 Glenwood St. 78104
Robert Hein, 251 Graham Blvd. (A 31163)

Certainly hope to see all of you in San Antonio June 2nd. Until then may you enjoy good health and prosperity.

Sincerely,
Glen A. Winkensberg
President

P.S. Please not my new address. We consultants do move around # 6 Southside Dr. Little Rock, Arkansas 72205
