

the 11th Reunion of the von Rosenberg Family
of Texas - May 5th LaGrange, Texas.
LaGrange Fair Park.

Houston, Texas.
April 18, 1946.

N O T I C E
Family Reunion.

The von Rosenberg Family of Texas will again enjoy their Family Reunion and so keep the members acquainted and by that acquaintanceship really feel akin.

The Committee of Arrangements met at the home of Hendley and Alma Tomlinson, 2187 Troon Road, Houston, Texas, and decided that because we can now use Tires and Gas, without using such Commodities that for several years were so essential to retain the Freedom which our Forefathers helped to establish; there must not be too long a lapse in the work of the History and Records so ably collected for several Generations and treasured through the years by so many before us, and also because we are so grateful to Mr. Walter Wuppermann of Austin, for his efforts in Organizing this group, and to our beloved cousin Martha Meerscheidt of San Antonio, now with the Saints in Heaven, for her constant work as our Historian. Now all arrangements are made to meet in La Grange Fair Park on Sunday, May 5, 1946. Registration at 9:30 -- and a Committee to greet you.!

You are appointed Chairman of your Family Group. See to it that all attend,

Who are Members? We are members by right of birth, marriage and even by adoption. Let us enjoy our Membership with interest and cooperation. Did you know that we have a Family Tree as good as any in existence? With authentic Records since the 16th Century? Did you know that it is valuable? It has truly built a grand Monument to our Forefathers. Learn all you can about it. Why did they come to Texas? Of course they came to escape just what a vast number today wish to free themselves of - religious and political Persecutions, and constant Warring in their native land.
