Ex: A Person of Faith

This year’s **Saturday morning’s “Grave Witching”** is destined to please, but will undoubtedly raise a few eyebrows, particularly, among those, who subscribe to the scientific method. It is recommended that one start with an open frame of mind and allow faith to be your guide.

The morning tour will start at 9:45 am in the Assembly Room at the Johnson Retreat Center of Camp Lone Star and proceed by an automobile to the “Old” and “New” Town Cemeteries in La Grange. We will be introduced to four gravesite locations of the 1849 Franziska vR emigrants, namely, the ancestral father, Peter Carl vR and three of his children, Johannes Carl vR, Branch III; Amanda Karoline vR Meerscheidt, Branch V; and Carl August Walter vR, Branch VII. Besides these four, there are numerous other important family members buried nearby including spouses of the aforementioned and a myriad of their descendants. Among these are Arthur Meerscheidt, devoted husband, father and son-in-law and his daughter, Martha Meerscheidt, first Historian of the von Rosenberg Family

of Texas. After introductions, there will be a brief demonstration of “grave witching” that uses conventional dowsing rods, which are right-angled, metal wire often handmade using only a pair of pliers and metal clothes

Directions to Camp Lone Star

(continued from Page 2)

Arriving from Schulenburg/I-10

Take State Hwy 77 north from Schulenburg to La Grange (about 17 miles). As you reduce your speed while descending into La Grange from the “Bluff”, you will encounter a number of highway “S curves” on that approach. As you reach the bottom of the “Bluff” and before you cross the Colorado River bridge into La Grange, make a hard right (east) onto Camp Lone Star Road.

Special Notes

Camp Lone Star Road meanders for about two miles as a tree-shaded lane to the entrance at Camp Lone Star. Once inside the camp grounds, stay to the right on the main road and proceed past the Camp Office but do not stop. A short distance past the office will be a parking area to your left camouflaged by a forest of trees. Turn here into the parking lot via one of two entrances.

Once parked, take the concrete sidewalk that follows the hillside down to the Johnson Retreat Center. The entrance door from the parking lot is an unceremonious approach into the Center. The first room to be encountered inside is likewise uneventful and houses Ping-pong tables. Proceed straight ahead through a doorway into a hallway that leads back to the Assembly Room where you will find “Registration and Reception”. For a detailed map of Camp Lone Star, go to the Camp’s website at: www.lomt.com.

adult package is \$117.00 (18 years and above). The youth package (17 years and younger) is less at \$93.25. Children (5 years and under), who are accompanied by their parents stay and eat for free. For a one-night stay, which includes three meals, an adult package is \$78.00 and the youth package is \$63.75.

For those, who come to attend day and night time activities but not to spend the night at Camp Lone Star will only be charged for the price of the meals they consume. Prices for adult meals (10 years & older) are \$10.00/meal. Children between the ages of 6 & 9 years pay \$8.00/meal. Children 5 years and under eat for free. However, overhead donations will gladly be accepted by our Treasurer to help offset other expenses subsidized by the Reunion.

Please feel free to participate in any of the many activities planned for the Reunion weekend especially those occurring on Saturday including but not limited to the annual morning historic tour entitled “Grave Witching”, the Business Meeting, the afternoon History Fair and Champagne Reception and the evening Dessert Party, Music and Dance.

Please get your room reservations and meal requests back to us as soon as possible on the attached Room and Meal Registration Forms.

The von Rosenberg Family of Texas Donates Publications to The Round Top Family Library

BY NEALE RABENSBURG

Neale Rabensburg, as President of the von Rosenberg Family of Texas, met with Round Top Family Librarian, Sandra Aschenbeck, on Thursday, April 14, 2011 at 2:00 pm for a donation of five books and manuscripts that have been published by the von Rosenberg Family of Texas, or members thereof, between the years of 1949 and 2005. These publications represent the history of this family and its Texas beginnings in the Round Top community and the Fayette County region. A sixth publication, The von Rosenberg Family Record, Volume II, 1974, was not included in the donation since that book was already known to be associated with the Library's collection.

The five publications donated include the following: The von Rosenberg Family of Texas (The First Three Generations), 1949; Emigration of the von Rosenbergs to Texas 1849, 1976; Ancestral Voices, The Letters of the von Rosenberg and Meerscheidt Families (1844-1897), 1978; The von Rosenberg Family of Texas Cookbook, 1993; The von Rosenberg Family of Texas Volume III 1849-1999, 2001; and The Froelich Family, 2005 by Laura Miller Wingo & William H. Wingo.

BY JON TODD "JT" KOENIG

As we all know, our von Rosenberg forebears made a fateful decision in the fall of 1849 which took them from their ancestral East Prussian home of over 200 years and brought them to the wilderness of mid-Nineteenth Century Texas. The impetus for this en-masse migration has been explained with references to the Family being "freidenkers", to use the parlance of the time, but what does that mean?

This much we know; to be a "freidenker" was to be a "free-thinker", something that by the very sound of the term evokes outsider status and something other than the norm, which when one thinks about what the von Rosenberg Family stood for in terms of its rank in the Kurlandic nobility and general status in the aristocratic hierarchy of Nineteenth Century Europe, seems quite strange.

In today's sociopolitical climate, to be a "free-thinker" doesn't simply conjure up the world of political thought, it also encompasses broader realms such as religion and spirituality, and specifically, the more left-leaning components of those subject matters. Some might even go so far as to describe a modern "free-thinker" as being synonymous with an atheist and/or a communist. So, were our ancestors, who have factually been described as "free-thinkers", in fact godless socialist sympathizers or worse? In short, my answer to that question is a definitive NO, because that is not what a "free-thinker" was then.

To fully comprehend why I think this and what the term "freidenker" actually meant at the time the Family emigrated, one must look further back to the environment in which they lived and how it evolved in

the months, years and even decades before they boarded the Franziska in Bremen in October, 1849.

Our von Rosenberg ancestors were creatures of their time; especially the patriarch, Peter Carl Johann von Rosenberg and his two eldest sons, Carl Wilhelm and Johannes Carl. And that time was a time of revolution throughout Europe, even in the isolated enclave of Memel at the very northern tip of the Prussian Kingdom. It was this atmosphere of revolution and reaction that forged the minds, hearts and behaviors of those who came before us, and to understand them, one must understand their history.

Over the next few months, and at our President's request, I will be drafting a position paper on what it means to call our von Rosenberg ancestors "free-thinkers" and I will have copies of the paper for review at our July reunion. Until then, I welcome your comments and criticism. I can be reached at jtkoenig@yahoo.com or via telephone at 360/ 930-8151.

The President's Message

Dear Cousins,

My first term as President of the von Rosenberg Family Texas is drawing to a conclusion. This summer's Reunion, scheduled for July 15-17, 2011 (Friday-Sunday) at Camp Lone Star near La Grange, will see the election of new officers. Officers serve according to the By-Laws for a two-year term, and the elections always occurs on "odd" years.

A term is defined as two years spanning between "odd" numbered years. The wisdom of our early founders realized that a minimum of two years is necessary for any officer to accomplish his/her set of goals. Many officers choose to serve for more than one term, however, the President and Vice-President are limited to no more than two consecutive terms. The Office of Secretary and Treasurer are not bound by term limits. Therefore, we have seen in the past a number of officers in these positions serve for many years where continuity has been deemed important.

A Nominating Committee, appointed by the President, has prepared a slate of candidates to serve for the next two years following elections at this summer's 2011 Reunion. Debbie Smith, Secretary, and Forrest Campbell, Treasurer, have both given notice that they do not plan on running for another term. The Committee has nominated Darlyn Cartwright for the role of Treasurer and Pati

Dukett, Secretary. Both of these nominees are well qualified and have accepted to serve in these positions, if elected. Neale Rabensburg, as President, and David von Rosenberg, as Vice-President, have agreed to continue in their present roles for another term. The slate of candidates for all of these officers' positions continues to remain open for other nominees to be added.

The Nominating Committee, which is appointed by the President, includes Wayne Scholz (Dallas), Karl von Rosenberg, (Waco), Bill von Rosenberg, III (Austin) and Pati Dukett (Austin). Nominees in addition to those, who are already listed on the Slate of Candidates, can contact Neale Rabensburg, who will forward candidate names to the Nominating Committee.

On another matter, the von Rosenberg Family of Texas' website at www.vonrosenbergfamily.com continues to make significant changes to its format. The website will be divided between two primary subjects, that is, current reunion information and family histories. Historical subjects, however, will include the history of our reunions, which now spans three generations. Younger members will appreciate our link to Facebook as well.

Sincerely,
Neale Rabensburg

"A Phased Transition"

Over the next several years, **The von Rosenberg Family of Texas** will begin communicating more and more with its membership via the Internet, that is, the Family website at www.vonrosenbergfamily.com and the email addresses of individual members.

For those of you, who wish to receive Newsletters via conventional postal services, we will only institute a change with your permission and after the receipt of an email address. Otherwise, you will continue to receive Reunion information the old fashioned way via "snail" mail.

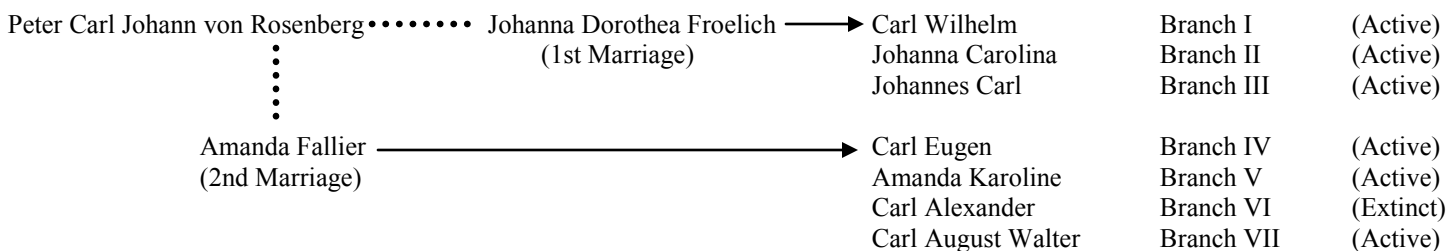

With the change to email addresses, you will, of course, be responsible to keep us updated for any email address modifications as well as for postal mail address changes.

We hope that you will enjoy the transition to electronic mail and will appreciate the upgrades that will be made to our Family website so that you receive faster and more detailed information. Besides a source for Reunion information and reservations, the website is also being expanded to make it a prime source for the promotion and sale of our official von Rosenberg Family of Texas publications, CD's and personal accessory items.

If you wish to be placed on our email mailing list, you can contact, Pati Dukett, Interim Secretary, at patisue17@yahoo.com. Please include a statement saying that you want to receive

hangers. More sophisticated rods with metal sleeves and better balance can be purchased online. Dowsing or "witching" rods will be provided so that everyone present will have an opportunity to practice a little hocus pocus before the conclusion of the morning tour at 11:00 am.

Saturday afternoon's History Fair and Champagne Reception will be nothing short of spectacular! The Fair starts at 2:15 pm or immediately following the Business Meeting and will continue for about three hours. On display will be von Rosenberg

Family of Texas historical artifacts, documents, photos, journals and donated personal collections. Approximately, forty large display boards placed within the public areas of the Johnson Retreat Center will illustrate a colorful, pictorial history of the von Rosenberg's from Europe through the first three generations in Texas. Also, featured at this year's fair will be a "never-before-seen" presentation of the history of the von Rosenberg Family of Texas Reunion commencing with its preliminary beginnings in 1938. Among items on display will be copies of the sign-in sheets with the original signatures of the 153 family members, who attended the very first reunion held on Sunday, May 7, 1939 in Round Top, Texas at the Rifle Association

Hall. Since the vR Family has been meeting consistently since 1939, with the exception of three years out of World War II, the newsletter and minute records from these past reunions have added another dimension to the historical record of this illustrious family. Members are encouraged to bring their own

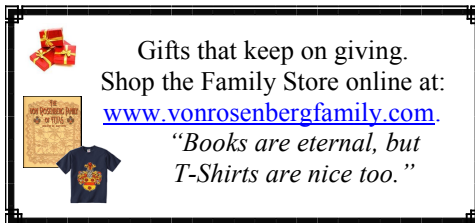

personal collections and place them on display next to other vR Family archival material. Historians will be available for review and advice and will offer regular guided tours of display material. Champagne along other beverages and snacks will be served to those attending. See you at the Fair.

The theme for this year's annual Silent Auction during the 2011 Reunion is "Texana". Ah, yes, a term that is dear to the hearts of the "born and raised crowd," and a word that has come to symbolize the history and culture of the Lone Star State.

"Texana", at least in Texas, is everywhere, so bringing something of merit that makes reference to this great land should not be difficult. Your efforts will help raise needed revenue to offset our Reunion expenses, which never recede.

Accolades to Frances von Rosenberg for agreeing again this year to head up the organization of this **Main Event Item!!**, which commences on Saturday morning at 9:00 am in the Assembly Room of the Johnson Retreat Center at Camp Lone Star and concludes Sunday morning at 9:00 am.
